## **Macroeconomic & Corporate News**

## eFAWATEERcom records JD1.1 billion in transactions during January, February

Payments made via the electronic online payment platform eFAWATEERcom grew 9.2 per cent during the first two months of 2019, compared with the same period in 2018, data issued by the Central Bank of Jordan showed. Transactions through eFAWATEERcom at the end of February this year amounted to JD1.118 billion, the Jordan News Agency, Petra, reported on Saturday. Some JD2.7 million worth of bills were paid via the platform, and nearly JD18.3 million in transactions were made via the platform during January and February of 2019.

## JEDCO's 3.1m euros accelerator project for SMEs concludes on Thursday

The Jordan Enterprise Development Corporation (JEDCO) on Thursday celebrated the conclusion of the "Accelerating the growth of economic projects" programme, which was funded by the MENA Transition Fund through the European Investment Bank (EIB). The programme was launched in 2015 with a total budget of 3.1 million euros, the Jordan News Agency, Petra, reported. The programme aimed at supporting and sustaining SMEs in the industrial and service sectors that enjoy high growth opportunities, so as to increase production, competitiveness and exports through training courses and technical guidance.

## Ministry announces agriculture-focused programme

The agricultural sector is in dire need of skilled agricultural technicians and trained labourers, Agriculture and Environment Minister Ibrahim Shahahdeh said on Thursday, announcing the launch of a project to train hundreds of Jordanian youth. Under the project, the Ministry of Agriculture and the World Food Programme (WFP) will offer training and empowerment opportunities for 800 people from different parts of the country in several areas, such as forestry, rangeland improvement, maintenance of water infrastructure and water harvesting, as well as the introduction of water and conservation techniques, such as hydroponics. Shahahdeh said that the project seeks to create employment opportunities for job seekers by training youth, supporting rural communities and empowering women to start agricultural income-generation projects.
