## Macroeconomic & Corporate News

### GDP down by -1.6% in 2020 — DoS

Jordan's gross domestic product (GDP) dropped by -1.6 per cent at fixed market prices in 2020, compared with 2 per cent in 2019, according to the Department of Statistics (DoS). In its quarterly report issued Wednesday, the DoS said GDP slumped at fixed market prices in the last quarter of 2020 by -1.6%, compared with the same period in 2019, which amounted to 2.1 per cent, the Jordan News Agency, Petra, reported. According to the department's data, preliminary estimates showed that most economic sectors fell down during the last quarter of 2020, compared with the same period in 2019. The DoS figures indicated that the hotel and restaurant sector recorded the highest decline during this period, reaching -8.8 per cent, then the transport, storage and communications sectors, with a drop of -5.7 per cent, followed by the social and personal services sector by -4.1 per cent, and then the construction sector by -3 per cent, as well as the manufacturing sector, by -2.4 per cent. Regarding sector contributions to the decline rate recorded during the last quarter of 2020, amounting to -1.6 per cent, the transport, storage and communication sector contributed by -0.51 per cent, while the manufacturing sector's share hit -4.44 per cent of the total decrease percentage. Meanwhile, the social and personal services sector contributed a -0.37 percentage, followed by the wholesale and retail trade, hotels and restaurants sector, whose drop rate reached -0.27 per cent, the DoS data revealed.

### Gov't announces JD448m COVID stimulus package

The government on Wednesday announced a set of COVID stimulus packages and relief measures for citizens and struggling sectors at a total value of JD448 million. Prime Minister and Minister of Defence Bisher Al Khasawneh said that the stimulus measures aim to enhance and expand social protection programmes, the Jordan News Agency, Petra, reported. The packages also aim to protect existing jobs in the private sector, stimulate employment and mitigate the pandemic's impacts on the public transport sector and investment activities in development zones, Khasawneh said during a press briefing at the Prime Ministry. He added that the Council of Ministers has taken mitigation actions related to public funds collection from individuals and businesses, in addition to deferring installments owed to public credit funds until the end of the year. The measures also include increasing the limit of credit facilities of the Agriculture Credit Institution by JD30 million, according to the premier. He also said that JD240 million will be injected into the market, comprising arrears, tax returns and properties acquisition compensations.
